

## I trust the power of my True Self

### Want to read some passages in *A Course in Miracles*?

Here are some quotes from *A Course in Miracles* that touch on the subject of this lesson. You can read the section of the Course in which they appear. (Do keep in mind that it may be challenging to read these sections without reading the sections that come before them. *A Course in Miracles* is written in such a way that the concepts build upon each other as you go along.) Remember T is for the Text, W is for the workbook, and M is for the Teacher's Manual. The text, workbook, and teacher's manual are all in one book. (They used to be 3 separate books) In case you have different editions of the book, when I use a quote from the Text, I will also reference what chapter and section the quote appears in.

- "Deep within you is everything that is perfect, ready to radiate through you and out into the world. It will cure all sorrow and pain and fear and loss because it will heal the mind that thought these things were real, and suffered out of its allegiance to them. You can never be deprived of your perfect holiness because its Source goes with you wherever you go. You can never suffer because the Source of all joy goes with you wherever you go. You can never be alone because the Source of all life goes with you wherever you go. Nothing can destroy your peace of mind because God goes with you wherever you go." Workbook Lesson 41. p. 63
- "You are the work of God, and His work is wholly lovable and wholly loving. This is how a man must think of himself in his heart, because this is what he is." p.9 (T) Chapter 1, Section III
- "I am as God created me." Workbook Lesson 94, p. 164
- "The learning of the world is built upon a concept of the self-adjusted to the world's reality. It fits it well. For this an image is that suits a world of shadows and illusions ... A concept of the self is made by you. It bears no likeness to yourself at all. It is an idol, made to take the place of your reality as a Son of God." P.656 (T) Chapter 31, Section V
